Gentlemen:

This letter serves to update your offices as to the Carrier's designation of the initial officer of appeal for time claims, grievances and discipline matters (with the exception of the expedited disciplinary process, where applicable) for Mechanical car and locomotive operations (both region shops and system shops), effective immediately.

Changes to note include:

- Adam Brock named the initial officer of appeal for the Council Bluffs Service Unit.
- Shawn Engel named the initial officer of appeal for the North Platte locomotive run-through operation.
- Jeffrey Thompson named the initial officer of appeal for the North Platte Service Unit.
- Russell Lowe named the initial officer of appeal for the Denver, Salt Lake and South Morrill locomotive facilities.

I continue to be designated as the highest officer of appeal for Section 3 matters. Please contact me if you have any questions about these changes.

Sincerely,

Enclosure
